Englische Spiegel 1945 bis ca. 1985

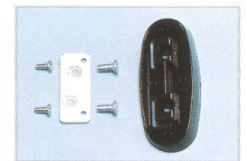

TEX DOOR MIRROR
Available in Polished Stainless or Black. The Tex door mirror was fitted as original equipment to all British Leyland vehicles between 1974 and 1983. The patented and copyrighted design allows easy fitment to doors. Available for both left and right hand fitting with flat or convex glass. The head is manufactured from the highest quality stainless steel polished to a deep lustre. The stem is chromium plated to Service Condition 4. It is also available in black. Original equipment applications include the following vehicles: Mini / MGB / MGBGT / Midget / Austin-Healey Sprite / Triumph Spitfire / TR7 / Austin Princess / Marina / Ital / Allegro, but it can be mounted on almost any vehicle.

BLACK DOOR MIRROR

DOOR MIRROR PLINTH
For mounting on vertical surfaces. Also available in black

MINI ADAPTOR KIT
Allows both the Tex Door Mirror and the new Tex Torpedo Racing Mirror to be fitted to later models of the Mini (with plastic mirrors) without re-drilling.

TEX TORPEDO RACING MIRROR
Specifically designed to fit and work on Minis. We have re-engineered the head and fitted it to our classic stem. The result is a multi-adjustable mirror that looks good and is right for the job.

RACING MIRROR
